A technical drawing of a tapered shaft, shown in a perspective view. The shaft is wider at the top and tapers towards the bottom. The top edge is notched, with the notch being a semi-circular cutout. The drawing uses solid lines for the visible edges and dashed lines for the hidden edges. A label 'SLIT NOTCH' with a leader line points to the notched edge.

SLIT NOTCH

20

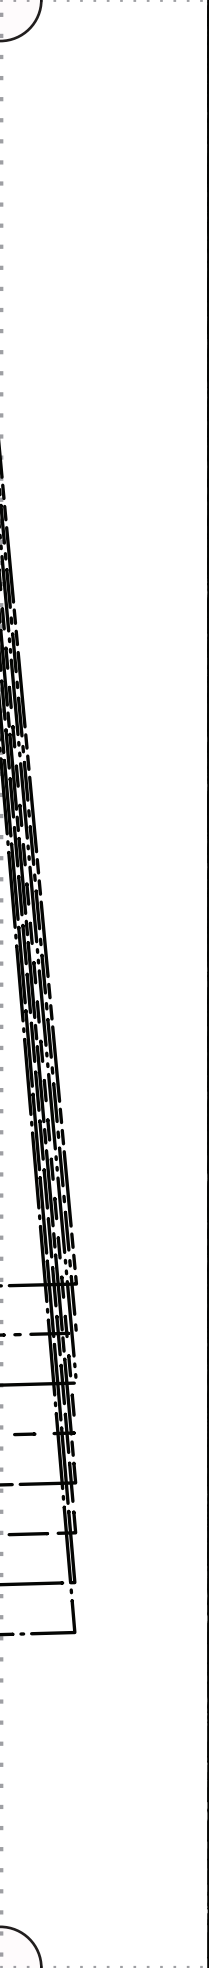

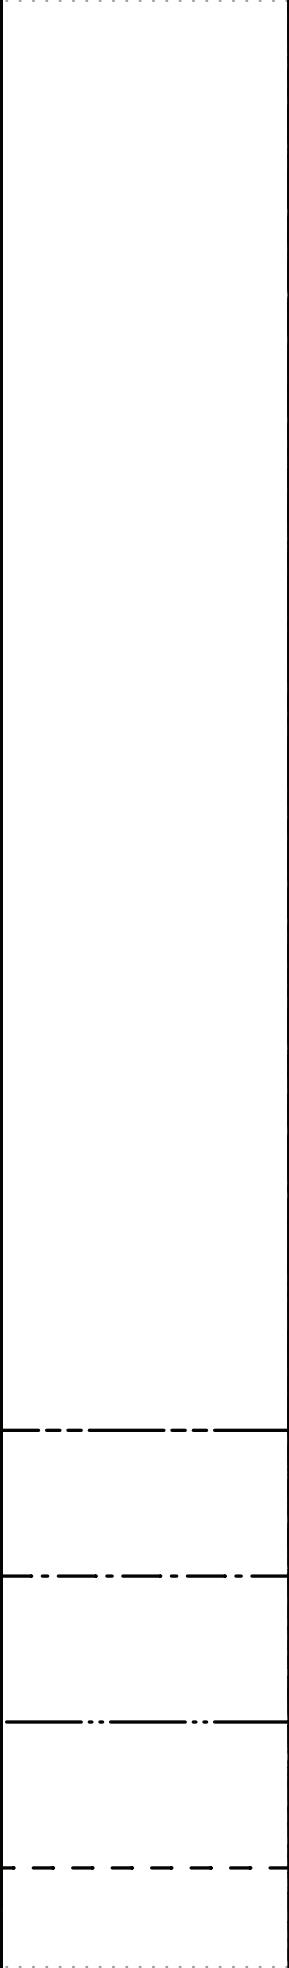

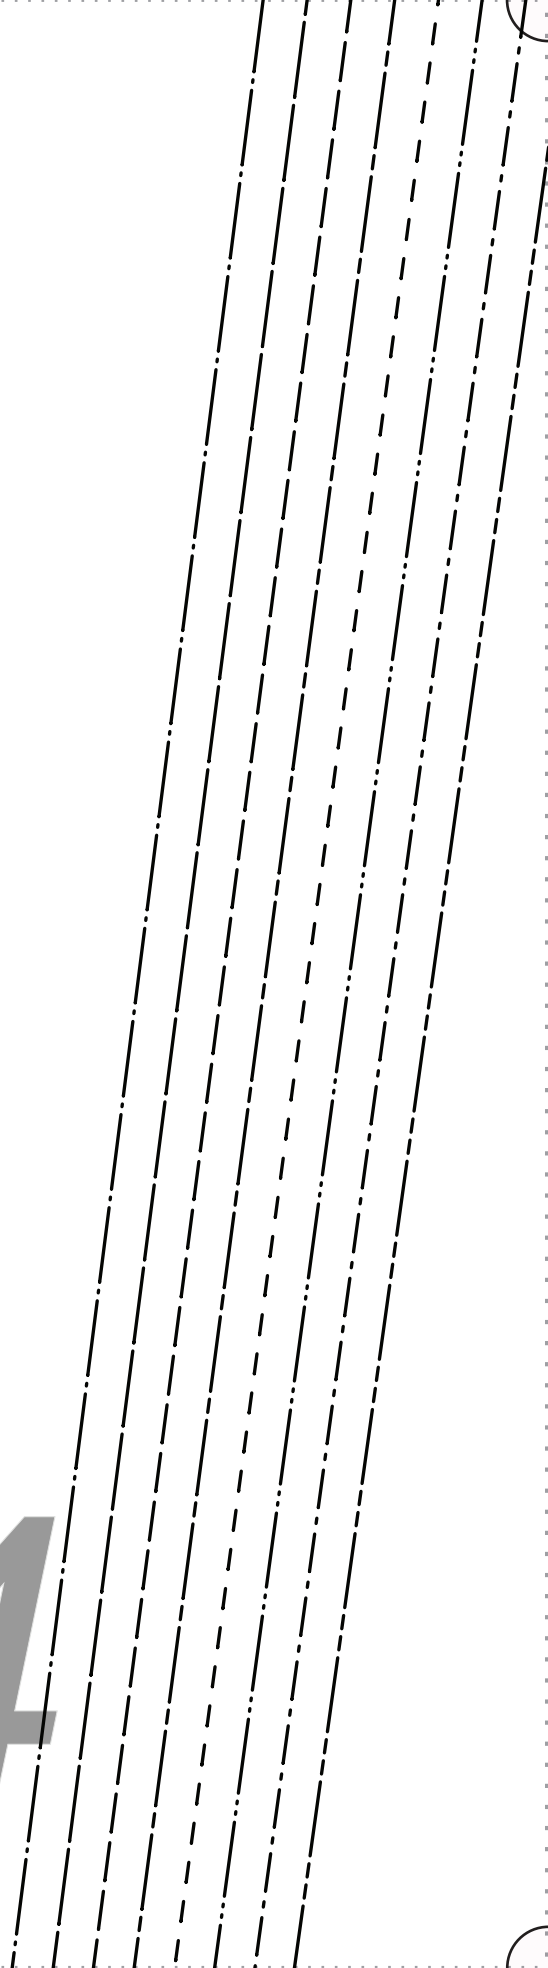

The image features a decorative background consisting of a grid of dashed lines. The grid is composed of vertical and horizontal lines that intersect to form a pattern of squares. In the lower-left quadrant, the numbers '21' are prominently displayed in a large, bold, grey font. The '2' is positioned to the left of the '1'. The background also includes several curved, dashed lines that sweep across the right side of the page, creating a sense of movement and depth. The overall design is clean and modern, with a focus on geometric patterns and typography.
